

# Rent.com.au rocks

Published 21st April 2016

Listed rental online portal Rent.com.au's active nonagent listings have risen 50 per cent in the three months to March 2016 while its agent listings have grown 10 per cent, according to its quarterly update. The portal's revenue rose \$223,000 for the quarter, up 35 per cent from the previous quarter. It also has a \$5.5 million fully underwritten capital raising under way for brand marketing.
